RULES AND REGULATIONS

- All rules as per the AICF are applicable.
- All participants must download and use a mobile chess clock app for game timing.
- Touching a pawn or any other piece obligates you to move or capture it if a legal move exists.
- Opponents receive a 5-second clock increment for each illegal move made.
- A player is disqualified upon their third illegal move following two warnings.
- The tournament begins with a 5-round Swiss system using Blitz time control (5 minutes).
- The top 4 contestants with the highest points advance to an elimination final played using Rapid time control (10 minutes).
