Organiser's

Faculty Coordinator

Mr Mani kandan A

Arya Achaiah K N-9449310463

Meeth V Patel-9110608584

RULES AND REGULATIONS

- Each participant must fly the aircraft solo, from takeoff to landing.
- Only one attempt will be given per participant — make it count.
- A complete flight demo will be conducted beforehand to walk participants through the controls and procedure.
- Winners will be judged on the following, in order of priority:
 - A) Takeoff and landing smoothness — precision and control during these critical phases.
 - B) Equipment handling — overall control and handling of the aircraft throughout the flight
 - C) Time — used only as a tiebreaker if the above criteria are equal.
